

## ATTARD'S KITCHENS & CABINETS

# THE ENTERTAINER'S BUNDLE

SPACIOUS AND SOPHISTICATED

This stunning kitchen renovation was completed by Attard's Kitchens & Cabinetry. The 'Calacatta Select' marble benchtops create an elegant aesthetic, and contrast beautifully with the hand-painted silk-finish base of the island bench.

The separated bar area features overhead glass-front display cabinets and spacious cupboards below a sizeable bench. A stainless steel clear-front wine fridge is located next to the bar area for convenience.

The stainless steel double oven and large fridge convert the space into the perfect cooking and entertaining area. Concealed Häfele pull-out drawers were skilfully installed on either side of the ovens to ensure cooking essentials are within easy reach.

The main bathroom features a decadent freestanding bath, which is positioned at the back of the light-brown tiled space. The beautiful Dulux 'Raku' cabinetry contrasts with the Quantum Quartz benchtop for exceptional visual appeal.

The narrow benchtop features a double basin, which allows for ample space for two people to occupy the bathroom simultaneously. The large mirror splashback reflects the beauty of the entire space and adds light to the surrounding dark cabinetry.

The laundry, powder room and alfresco area were also renovated by Attard's Kitchens & Cabinetry, which allowed the home to flow cohesively throughout. The entertaining space of the kitchen extends seamlessly into the lovely alfresco area. The laundry exudes a coastal appeal with Dulux 'Beige Royal' selected for the spacious V-groove cabinetry.

Like the main bathroom, the other three bathrooms feature a cohesive colour scheme and individual flourishes to reflect the personality of the clients. Two of them were designed for the client's children, with both spaces customised to their colour preferences.

In the lighter-coloured children's bathroom, a Smartstone 'Blanco Piedra' benchtop ties in beautifully with Dulux 'Fair Bianca' doors. The entire space appears luminous, with the pale hues reflected in the mirror-laminate kickbase.

A Caesarstone 'Wild Rice' benchtop was added to the darker-coloured bathroom, which features Dulux 'Hog Bristle' vanity doors. The different finishes come together to create a warm and welcoming appearance.
